

Jean Monnet Academic Module

**“EUROTRAINING.
European Union issues and values for Russian bachelor students”.**

Internet-conference

"European integration issues in Russian higher education in Russia".

07/12/2016 - 08/12/2016 (2*6 hours)

The objective was to discuss European integration issues in higher education in Russia and created the network of professional supporting work in this field.

Target group – professors of higher education institutions of the Russian Federation, primarily those already included in Jean Monnet Activities projects. 322 teachers, researchers and university staff from 49 Russian universities took part in the conference. Most of them were from MSUPE (65), Moscow State University of Education (25), State University “Dubna” (11) and Voronezh State University (7).

Conference was held in an online format using the MSUPE server and webinar platform MIRAPOLIS.

The speakers were:

- A.Hetmanskaya, head of the programme "Global education", Moscow school of management SKOLKOVO;
- N.Kamynina, member of the Supervisory group on the Bologna process (BFUG) from Russian Federation, Secretary of the Working group on the Bologna process at the Ministry of education and science RF;
- N.Krasikova, DAAD coordinator;
- J.Verschoor, director of Nuffic Neso Russia;
- T.Hentschel, head of the Association IKaRuS e.V. Interkulturelle Kommunikation und Russische Sprache, Deutschland.

During the conference some discussion platforms and online polls was carried out.

Video materials was placed on the MSUPE portal <http://mgppu.ru/nav/projects/41/204>

At the conference, a discussion was held about the creating of a network of interaction of the Russian experts in the field of European Union issues and values. The conference stimulated Russian higher education institutions in the field of education of the Russian students concerning the European integration.
